RE: Appeal Case #2005-020
3609 Knollwood Road Map: 117-10 Parcel: 48

Members of the Board:

This case arises from a request for an outside entrance for a bathroom in a pool house. I denied their request for an outside entrance. I have never allowed bathing facilities in a detached structure because of the possibility of conversion to a separate dwelling unit. I do allow bathing facilities where a pool house is constructed but an outside entrance must be used. Mr. Obremsky would like an outside entrance, thus the reason for his appeal.
